The Royal County of Berkshire Churches Trust was set up in 1984. Its objective is to raise funds to help with the cost of repairs to the fabric of Christian churches in Berkshire of any denomination belonging to or associated with "Churches together in England". It also aims to encourage churches to make use of their buildings for the benefit of the community at large if this can be achieved without compromising the architectural quality of the church. However, as its funds are small it can only grant aid works other than to the fabric of the worship area if they are of some architectural or historical importance.

If you would like to make a donation to the work of keeping our churches in repair and fit for the needs of the twenty-first century, please use the form below.

Banker's Order
