The Royal County of Berkshire Churches Trust was set up in 1984, and changed its name to "Berkshire Historic Churches Trust" in 2020. Its objective is to raise funds to help with the cost of repairs to the fabric of Christian Churches, Chapels and Meeting Houses in Berkshire, and for the repair and preservation of monuments, fittings and fixtures and stained glass. The Trust will also consider applications from Churches, Chapels and Meeting Houses for schemes to achieve a sustainable future as the centre of every community in the County, making use of their buildings for the benefit of the community at large, and may help to fund facilities necessary for this purpose, if this can be achieved without compromising the historic or architectural quality of the buildings and their settings within the local landscape.

If you would like to contribute to the work of keeping our churches in repair and fit for the needs of the twenty-first century, please visit our website www.berkschurchestrust.org.uk
